Annual temperatures for Ely, MN

Having the proper equipment for outdoor activities can make the difference between a fun adventure and an uncomfortable slog in the woods.

The use of layered garments for protection against weather extremes is key to a successful outing. Loose-fitting layers allow you to maintain a comfortable body temperature and keep you dry as temperatures, precipitation, and your own exertion levels change.

Proper footwear is also essential. Closed-toed, supportive athletic shoes or boots with socks will provide the most support and comfort.

PLEASE come prepared for the weather. Consider the predicted temperatures, PLUS wind chill and nightly lows.
